## FOREWORD

### Message from

**YAB DATO' SERI DR. MOHAMAD KHIR BIN TOYO**

Selangor Chief Minister

I would like to take this opportunity to bid visitors to Selangor a warm "Selamat Datang".

Selangor has a wide range of accommodations at competitive rates. From five star hotels of international standards, to comfortable medium range and budget hotels, as well as charming chalets and homestay programs, the choice of accommodations is vast.

It is vital to have information on accommodations in Selangor available within reach of tourists. This task indeed calls for a collective effort by the Selangor State Government and the private sector. This guide that is the result of this relentless effort, has truly become an important source of information for both the local and foreign tourists visiting Selangor. It will be updated from time to time to ensure updated content brimming with information for everyone.

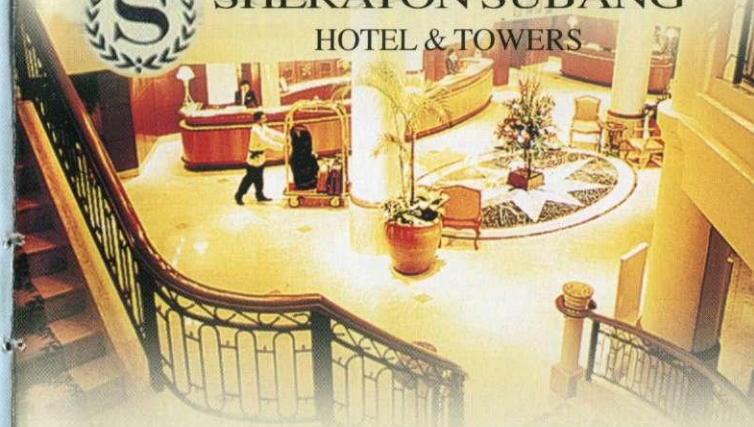

I hope this guide will help visitors to plan an exciting and enjoyable stay in Selangor. The sights, scenes, colours and hospitality will surely entice tourists to return for more.

Last, but not least, I would like to congratulate the Selangor State Economic Planning and Development Unit for its splendid work in publishing this edition of the "Selangor Accommodation Guide".

YAB DATO' SERI DR. MOHAMAD KHIR BIN TOYO
